Issue 16 Christmas 2016

***Friends of Fogg Dam wish you a happy
Christmas and all the very best for 2017***

It's been a busy year for Friends of Fogg Dam Inc with:

- Work continuing to manage weeds in the Reserve.
- The 'Artist at Fogg Dam' exhibition 7-23 October 2016.
- The annual general meeting in October.

Territory Natural Resource Management Conference and Awards

The Territory NRM conference was held over 22-24 November at Darwin Convention Centre. As in previous years this provided excellent information and networking with quality presentations, informative, practical workshops and inspirational people and included the TNRM and Landcare NT annual general meetings.

FOFD members attended the conference, its associated field trips and workshops.

The Gala Dinner Awards evening was most enjoyable and it was great to have Friends of Fogg Dam well represented there. Territory Natural Resource Management Chief Executive Officer Karen May said the awards were an important way to recognise the efforts of people in the community who were often the quietest achievers.

Long term supporter Denise Lawungkurr Goodfellow and FOFD committee member Pauline Cass, were finalists for the Individual NRM Champion. Our congratulations to both for their outstanding contributions to NRM and to Denise, the award winner.

Our congratulations to all other award winners and particularly, Brian McWilliam of the McMinns Lagoon Reserve Association for his award as NRM Volunteer.

Individual NRM Champion,
Denise Goodfellow

Finalist Pauline Cass
